

Chihurumnanya Diamond Anyanwu

Frontend Developer & Designer · Product UI · Operations Manager · AI Data Annotation & QA

Lagos, Nigeria · anyanwudiamond@gmail.com · [LinkedIn](#) · [GitHub](#)

PROFILE

Experienced frontend developer and designer with project work across responsive product interfaces, interaction flows and browser-based prototypes. Uses Google AI Studio for rapid prototyping and React and TypeScript in independent web builds. Also brings hands-on operations management since 2021, AI data annotation and quality review, and a B.Tech in Surveying and Geoinformatics.

EXPERIENCE

General Manager / Operations Manager

Rubelle Water Factory · Lagos · 2021–present

- Manage day-to-day operations for a sachet and bottled-water production and distribution business.
- Coordinate production, staff, materials, suppliers and deliveries, and support customer and distributor communication.
- Maintain sales, stock and expense records and support operational planning and reporting.

AI Data Annotation & Quality Review

DataLens Africa · 2026–present

- Perform data annotation and quality review for AI development projects using annotation guidelines and human-in-the-loop QA standards.
- Apply careful review and consistency checks to task outputs.

Independent Frontend Developer & Product Designer

Self-directed · 2024–present

- Design and build responsive product interfaces, user flows and interactive web prototypes across creator, geospatial, real-estate, creative-planning and operations projects.
- Use Google AI Studio for rapid prototyping and work with React and TypeScript in independent builds; contribute across interface design, integration, debugging and documentation.
- Selected work and project-specific limitations are described in the [portfolio](#).

Founder & Content Researcher

Book and Biro · Ongoing

- Research Nigerian capital markets and geospatial intelligence, and develop accessible narratives for a professional audience.
- Use a NotebookLM-to-Gemini-to-LinkedIn research and publishing workflow.

Earlier Experience

Restaurant operations covering cooking, sourcing, order-taking, service, daily sales records and management support. University dropshipping business selling fashion, beauty and accessories.

EDUCATION

B.Tech, Surveying and Geoinformatics

Federal University of Technology, Owerri (FUTO) · 2023

CERTIFICATIONS, TRAINING & COURSEWORK

- **Google Analytics Certification (2026) — Google Skillshop:** Issued 30 October 2026; expires 30 October 2027. Event-based measurement, reporting and explorations, attribution, audiences, and privacy controls. [View credential](#).

- **Google Ads Search Certification (2026) — Google Skillshop:** Issued 30 October 2026; expires 30 October 2027. Google Search campaign planning and optimization, Smart Bidding, and alignment with marketing objectives and budgets. [View credential](#).
- **DataLens Academy, July 2026:** Essentials of Data Labelling & Annotation for AI Development; Human-in-the-Loop QA & Data Quality Management.
- **Google Cloud / Coursera:** Introduction to Generative AI; Introduction to Large Language Models; Introduction to Responsible AI; Responsible AI: Applying AI Principles with Google Cloud.
- **Google Project Management coursework:** Foundations, Project Planning, Agile Project Management and Project Initiation. These are selected courses, not a claim of the full professional certificate.

SKILLS & TOOLS

Operations: production and distribution coordination, inventory records, supplier follow-up, customer communication, documentation and business support.

AI quality & geospatial: annotation guidelines, human-in-the-loop review, QGIS, ArcGIS, Folium and remote sensing.

Frontend & product UI: responsive interface design, interaction flows, React, TypeScript and Google AI Studio prototyping. **Project-based technical experience:** FastAPI, Firebase/Firestore, PostgreSQL, PostGIS, Docker, Railway and Vercel; AI-assisted development and workflow design.

Content: research, narrative development, creative planning, NotebookLM, Gemini, short-form property-video editing and AI filmmaking.

This web résumé omits phone, street address, personal identifiers and credential IDs. Reach me at anyanwudiamond@gmail.com or on LinkedIn.
